Farmingville, NY - On June 7, Supervisor Ed Romaine and Councilman Dan Panico joined community leaders and Center Moriches Chamber of Commerce officials to celebrate the ribbon cutting ceremony of Center Spirits and Flash Clothing located in the heart of downtown Center Moriches.

"So many new businesses have opened up in Center Moriches that have contributed to the revitalization of the downtown," said Supervisor Romaine. "I encourage shoppers to stop by these two new stores and support the people who have made a commitment to our community."

Councilman Panico said, "We have concentrated our municipal efforts on revitalizing the infrastructure of downtown Center Moriches and now our newly revitalized downtown is nearly full with small business. These latest businesses add to the mosaic that makes Center Moriches a beautiful place to live. We wish them the very best."
